

# Internationella matematikdagen och Pi-dagen den 14 mars.

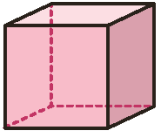

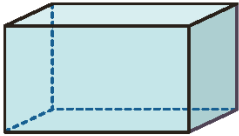

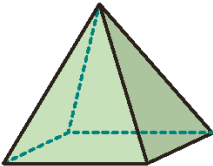

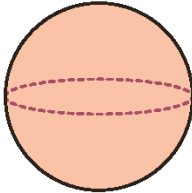

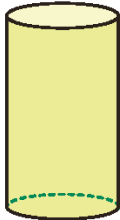

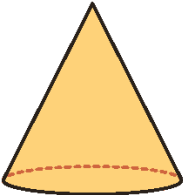

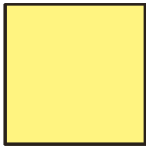

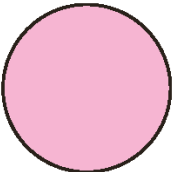

Den här uppgiften är hämtad ur Matte Direkt Triumf 2A  
och handlar om att para ihop geometriska objekt.

## Para ihop geometriska objekt

▶ Klipp ut och para ihop objekt och begrepp eller använd korten till Memory.

			
			
		kvadrat	rektangel
triangel	cirkel	cylinder	kon
kub	rätblock	klot	pyramid
