- 1 In New York.
- 2 The restaurant is closed.
- 3 The main character is Taro Yamada. He's a chef.
- 4 Mr. Yamada comes from Japan. He used to work in the fish markets there when he was young. He has worked in the finest fish restaurants and he was considered to be the best chef in Tokyo.
- 5 *Sashimi* is finely-cut uncooked fish (and it comes with a sauce).
- 6 The most expensive sashimi. *Fugu* is the Japanese name for the puffer fish.
- 7 *Suggestion*: Probably because it is so difficult to prepare. It takes a special licence before you are allowed to prepare it.
- 8 No, Taro doesn't like fugu. He thinks the taste is rather boring.
- 9 Anzu is Taro's wife and Iku is their nephew. Iku is the owner of the restaurant.
- 10 They are two Yakuza gangsters. They want Taro to prepare fugu for them. (Their boss has ordered them to watch Taro when he prepares the dish. If he prepares it well, their boss wants Taro to become his private chef in Tokyo.)

Half-Finger (Student A)

It's been a long time since we last met, Mr. Yamada. My boss was very annoyed when you **turned down (said no to) his offer.**

Taro (Student B)

I'm an honest man. I don't want to work for **gangsters (criminals, crooks).**

But my boss wanted you, Mr. Yamada, because **you are the best fugu chef in the world.**

What do you want from me?

We want you to prepare the fish **for us.** Here is a present for you, fresh **puffer fish from Japan.**

And if I **refuse ...?**

You have already been **rude** to us. To refuse us again **wouldn't be acceptable.**

And if I do it, what then?

Then you will work for **us in Tokyo.** My boss wants you as **his private chef.**

And what about **my wife?**

Your wife **may come with (accompany) you,** but your nephew can **stay here.**

So he will have to make it **without us?**

Yes, he **must (will have to) find a new chef.** Now, our boss wants us to watch you **make (prepare) fugu and then eat it.**

Well, OK I'll **(I will) do it.**

Till ansvarig chef för kundtjänsten

Den femte augusti köpte jag en Zanita bärbar dator (laptop), serienummer ZO-1239768 på Upload Store.

Jag är mycket besviken eftersom datorn bara fungerar några minuter innan den hänger sig och därefter stänger av sig själv. När jag startar den så hörs dessutom ett sprakande ljud.

De personer jag talade med i affären anklagade mig för att använda olaglig mjukvara och sade dessutom till mig att jag antagligen hade tappat datorn i golvet.

Nu har jag väntat i tre veckor på att ni ska reparera datorn, men varje gång jag ringer till affären får jag antingen oförskämda svar eller inget svar alls.

Eftersom datorn är helt värdelös och ni inte tycks klara av att reparera den så vill jag ha pengarna tillbaka.

Jag ser fram emot att höra från er. Jag bifogar en kopia av kvittot.

Med vänliga hälsningar
